Are you passionate about local politics?

Do you want to work for an incredibly qualified and exciting Representative named Bill Ramos? Here at the Vote Ramos Campaign, we work hard to promote democratic ideas in the 5th district, and we would like to invite you to join our team to become a part of that mission. We are in the unique position of holding a comfortable lead against our Republican opponent and are working with multiple campaigns across Washington. If the variety of working with different races appeals to you, then this is the internship for you!

A number of internship opportunities will be available for the fall of 2020. Specific internships include:

- Field Organizer
- Volunteer Coordinator
- Direct Voter Contact Officer

Qualifications include enthusiasm and a willingness to work hard, as well as the following:

- Strong oral and written skills
- Comfort and experience working with the public
- Ability to organize and prioritize in a fast-paced environment
- Capacity to work independently and within a team

Intern time commitments may vary and are flexible. However, we request a minimum of 10 hours a week. Access to a car is preferable, but not required.

At the end of the internship, interns will be able to include the experience on any college application or resume and use staff as references and for letters of recommendation.

There are many benefits to interning on our exciting race, including developing fine-tuned public relations skills and hands-on political experience. We are committed to teaching our interns basic skills in organizing a great campaign. This is a perfect experience to include on your resume and an opportunity to build connections to help you in the future.
